

EBS: Procedure to obtain access to Normandy Village Hall:-

To gain access to the Village Hall you will require a key to the Main Entrance which can be obtained by contacting mob tel. 07793541606 and leave a phone or text message at LEAST 5 days before your date of hire.

Your message should state your name, contact telephone number and the date and time of your hire. We will get back to you on how and when to collect the key.

There is a height barrier of 2 metres high at the entrance to Manor Fruit Farm and if any of your vehicles are over this height you will need a key to the padlock.

Please state this requirement in your message if you require access

To prevent unauthorised vehicle access it may only be opened to allow a vehicle to pass through and must be shut immediately and locked at all other times, even if access is only required to drop off for loading/unloading.

Failure to comply with the above may mean the forfeiture of your Deposit money.
